

Hi *Michael & Nora*

Care for Me would really appreciate if you could take just a few minutes to complete the testimonial sheet on the back of this page. We like to continuously conduct client care reviews which ensure our care to our clients is constantly monitored.

The testimonials will be of help to other people who visit our site, to make an informed decision when choosing a Homecare Company.

We have included a stamped addressed envelope for your convenience.

We hope our services have been of benefit to you and your family, and would like to thank you for choosing Care for Me in assisting you.

Kind regards

Ailish Leech

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

We have found our Carer very pleasant good humoured, obliging, marvellous help in the house, goes out of her way to oblige us and if all your Carers are like ours I would have no hesitation in recommending Care for me to other people as I said on a previous occasion she is like a part of the family.  
Thank you "Care for Me" ~
